GOVERNMENT CONTRACTING & PROCUREMENT SOLUTIONS

# Corporate Capability Statement

Supply. Services. Technology. Contract Management.

**Procurement & Supply**
**Technology Solutions**
**Facility Services**
**Construction & Maintenance**
**Transportation & Logistics**
**Professional Services**

## COMPANY OVERVIEW

Jacana Fly LLC pursues government and commercial procurement opportunities across supply, services, technology and contract management. Based in Elkridge, Maryland, the company scopes each requirement and selects a delivery approach suited to the buyer and the contract.

## SIX BUSINESS DIVISIONS

### Procurement & Supply

Office and facility supplies, equipment, furnishings and commercial product sourcing.

### Facility Services

Janitorial services, grounds maintenance and site support through qualified providers.

### Transportation & Logistics

Local delivery, moving, equipment transport and logistics coordination.

### Technology Solutions

Custom web and software development, workflow automation, dashboards and reporting.

### Construction & Maintenance

Repairs, materials sourcing and specialty trade coordination through licensed partners where required.

### Professional Services

Document preparation, digitization, English/French translation and administrative support.

## DELIVERY APPROACHES

### Direct execution

Technology and professional services based on agreed scope and deliverables.

### Commercial sourcing

Identify products and suppliers against specifications, availability and delivery requirements.

### Qualified subcontracting

Coordinate qualified providers where contract terms permit. Confirm licensing, insurance and availability before commitment.

## BUSINESS VERIFICATION

**Wyoming LLC** | Formed October 10, 2022

Filing ID **2022-001169781** | Wyoming Secretary of State
